

Dear Mr. Rafael Durelli:

On behalf of the SAC 2013 Program Committee, I am delighted to inform you that the following submission has been accepted to appear at the conference:

A Systematic Review on Mining Techniques for
Crosscutting Concerns

The Program Committee worked very hard to thoroughly review all the submitted papers. Please repay their efforts, by following their suggestions when you revise your paper.

To upload your final manuscript, please visit the following site:

<https://www.softconf.com/d/sac2013/>

and, on the left-hand side of the page, enter the passcode associated with your submission. Your passcode is as follows:

1557X-J9E3J3J7J7

Alternatively, you can click on the following URL, which will take you directly to a form to submit your final paper:

<https://www.softconf.com/d/sac2013/cgi-bin/scmd.cgi?scmd=aLogin&passcode=1557X-J9E3J3J7J7>

The reviews and comments are attached below. Again, try to follow their advice when you revise your paper.

Congratulations on your fine work. If you have any additional questions, please feel free to get in touch.

Best Regards,

Eric Wong, John Kim, Chris Sung
